RE: ISPE – Delaware Valley Chapter - Donation

To Whom It May Concern:

The International Society of Pharmaceutical Engineering (ISPE) is the world's largest not-for-profit association dedicated to educating and advancing pharmaceutical manufacturing professionals and their industry. We are an independent organization led by the world's top pharmaceutical manufacturing professionals. We provide an inviting and neutral environment for experts, technologists, regulators, consultants and students to exchange ideas and practical experience.

The ISPE Delaware Valley Chapter recently hosted our monthly Program meeting. At these programs, we take up a collection called ISPE Helps to give back to various local organizations in the Delaware Valley area. We were able to raise \$500.00 at this month's program, which the Board of Directors has matched.

On behalf of the ISPE Delaware Valley Chapter Board and in support of your mission to find cures for children with cancer and other catastrophic diseases through research and treatment, we are enclosing a check for \$1,000.00 to St Jude Children's Research Hospital.

Sincerely,

Donna A. DeFreitas
ISPE Delaware Valley Chapter, Board Member

cc: John Holton, ISPE DVC Board Member
